

Jose Granados is going to the Junior Olympics!! But he needs a little help to get there. Jose is a longtime resident in Amargosa and currently is a sophomore at Beatty High School. His father, Julio Granados, a former combat veteran in the army would greatly appreciate all the help you can give. Jose is competing in the 1500 meter and the 800 meters on the last week of July. The Junior Olympics is hosted in Lawrence, Kansas. Thank you for all the help you can give.
